NORWAY TO BEHAVE!

Dear Mayfair,

My girlfriend went away for a few weeks in the summer holidays to visit her parents in Oslo (she works in a school, and gets plenty of time off) and, for a laugh, I told my mates she'd left me. I got a great deal of sympathy and beer out of it, but then something extraordinary happened.

My one of my mates' sister came round to see if I was alright and, out of the blue, made me an offer I couldn't believe.

"You want to go to bed?" Rachel asked, straight out, just like that. "It'll help you move on and I want to do it for you. As long as you don't tell anyone about it, as I do have a boyfriend."

This was staggering. Rachel was unbelievably cute and I'd lost count of the number of times I'd wanked off just thinking about her.

The decent thing to do would've been to come clean at that moment but how often was I going to get an open invitation like this from someone as sexy as Rachel?

I took her up on her offer and we went up to the bedroom and got undressed together. It was awkward at first and we stood facing each other stark naked and full of uncertainty before Rachel moved onto the bed and opened her legs. She had a wonderfully shapely pussy and I lowered myself between her thighs and examined it closely as she ran her fingers through her lips.

After a while she moved her hand aside and I dipped my tongue into her hot hole, still unable to believe what I was doing. I closed my mouth over her cunt and rasped my tongue up and down her slot and grew more and more excited with every flinch of her body.

Her nipples were hard as bullets and I pinched and tweaked them as I drank from her pussy. I slipped my tongue down between her buttocks and caressed her bumhole with the tip, making her yelp with pleasure. She was a really saucy mare and I couldn't wait any longer to plant my cock up inside her.

I jumped up between her legs, crawled along her lovely slender body and slipped my long pole into her hot wet cunt with one easy thrust.

Rachel thrust her tongue into my mouth

as I drove my cock in and out of her pussy and she wrapped her legs around my back.

"Oh yeah, that feels really good. Talk dirty to me," she whispered in my ear.

"You like me fucking you?" I asked her, exhilarated to see this side of a friend.

"Oh yes," she moaned as I picked up the pace.

You want me to cum all over you?"

"Please," she pleaded with me.

"Do it on your tits, cum all over your cunt?"

"Oh fuck yes!"

"Are you going to cum?" I asked, driving my rock hard prick into her as hard as I could and suddenly she let out a scream.

"I'm coming! You dirty bastard I'm coming!" she shouted, pulling my hard cock into her and gripping me tightly with her pussy. I felt a splat of juice on my thigh and her insides spasm around my cock as she rippled with pleasure, then I went on fucking her some more.

"Come on me! Shoot it all over me," she begged as I drilled her hard and deep.

HOT TO SCOTT

Dear Mayfair,

Wow – having seen Vanessa Scott appear in *Mayfair* once or twice before she'd definitely made an impression, but nothing had prepared me for the wonderful sight of her magnificent untrimmed bush on your latest issue (52.11)! I'm not a nailed-on fan of the furry muff – I think sometimes it can look better, but sometimes a trimmed or shaven fanny's preferable, but there was something about the brazenness with which Vanessa was proudly showing hers off that really did it for me! Please pass on my compliments to the girl herself – and my envy to the guy she's going out with who's convinced her to grow her pubes for him, the jammy git!

Dave, Southport.

"No way, I'm going to cum in your mouth," I told her in no uncertain terms and her eyes lit up with delight. My

HOLEY TRINITY

Dear *Mayfair*,

Another cracking issue – and what a treat to be presented with no fewer than three debutantes, each with their own particular assets to bring to the table. First up was fair-skinned Carly, who looked sensational with her streak of scarlet lipstick and her perfect pink pussy lips on show beneath a healthy show of bush, and then the rather more bronzed Tori-Lee, who looked classy as fuck in her lingerie (although sadly I couldn't comment on what her pussy lips were like!). And then Katy, who looks like a perfect specimen of British womanhood, her perky natural boobs sitting atop a lovely curved body and a fabulously fleshy set of labia that I could tuck into for hours! And I see you've got two more lined up for 53.12, so I'll see you then!

Keep up the good work,

Greg, Bromley.

girlfriend never let me do this so it was something I'd thought about loads of times when I beat myself off. I couldn't believe my luck when Rachel agreed to it and whipped my cock out of her pussy and straddled her face a split-second later.

Rachel yanked on my meat as she held the tip between her lips and suddenly I exploded all down the back of her throat. She milked me for everything I had and gulped it down as fast as I could squirt it, then gave me a cum-stained smile.

I thanked Rachel for cheering me up and managed to get a repeat performance out of her the following week, but then my girlfriend returned a week or so after that and I had to do some quick thinking.

I told everyone she'd come back to me and that we were trying to make a go of it again, "So please no one mention her walking out," I implored them and so far they've all kept their word.

I dread to think what would happen if my little joke ever gets out, but I suspect I'll have two very angry women gunning for my balls. Still, so far I've certainly got no regrets!

Alan, Denham.

ROMANCE LANGUAGE

Dear *Mayfair*,

Earlier this year, I turned 40 and decided that I wanted to learn to do something new. After mulling it over, discounting numerous

possible hobbies and sports, I finally decided that I would like to learn how to speak Italian.

Italy is my favourite place on earth to visit and I try to get at least a couple of weekend breaks in a year – if not a proper fortnight at one of the lakes. In all that time, I had gleaned enough to get by, just, but I realised that it would be really nice to go over and speak confidently, instead of my terribly pronounced, Englishman-abroad attempts, which always embarrassed me.

I had a bit of a look online and found a couple of ads for local tutors that were highly rated on a reputable site and gave them a call. The first one – an older woman, seemed a bit stern sounding for my liking, but I felt instantly comfortable talking to the second lady, Francesca, so arranged to go and see her the following week.

The following week, I set out for my first Italian lesson feeling calm and eager to start learning. However, I wasn't anticipating the sight that met me when the door opened to reveal the most gorgeous vision. I love brunettes and Francesca was a real Italian beauty: her stunning olive skin set off by her poker-straight black hair, her red lips full and brown eyes inviting and her outstanding figure accentuated by a light, flowing dress.

She invited me in, offering me a drink and smiling at me reassuringly. I suddenly felt slightly nervous, in the presence of this beautiful woman. The lesson was held in a small office towards the rear of her house and, as she led me through and motioned for me to sit down, I couldn't help but be super-aware

Perhaps it's because of her Greek heritage, but are we alone in thinking that Zoi here has the air of some sort of ancient goddess? You can just imagine her stepping out of the sea and dazzling some poor mortal into committing some kind of terrible mistake that results in a war or the destruction of his household, can't you?

"I'd like to think I wouldn't be toying with the mortals quite like that!" she laughs, "but if you meant the comparison to a Greek goddess as a compliment, I'll take it as one!"

M

of how drawn I was to her. I almost felt light-headed. Not a feeling I remember having since I had my first girlfriend – when being so close to an attractive girl was almost intoxicating.

We got on well, and she was a good teacher – I picked the language up quickly, despite it being hard to concentrate being in such close proximity to this sexy creature. I went to lessons once a week, and between them I thought about her all the time. I couldn't help but imagine what it must be like to kiss those soft lips, move myself between her thighs and push myself deep within her. By the fifth week I was driving myself mad and I decided I had to say something to her.

The following week, we started the lesson as normal, going through a revision of the previous week's learning. I nearly broached the subject a few times and chickened out before finally blurting out: "Francesca, are you single?"

She smiled at me and coyly replied, "Yes I am, why do you ask...?"

Actions would speak louder than words, so instead of answering her, I instead leaned over and planted a soft kiss on her perfect lips. Initially she tensed, but I

SHE WHIMPERED AS I GRABBED HER HIPS AND INCREASED THE PACE, STARTING TO SLAM INTO HER HARDER...

felt her quickly relax and begin to kiss me back, tentatively at first but then harder and more passionately, her tongue worming its way into my mouth and exploring around. The chemistry I felt was intense.

After a few minutes of snogging like teenagers, Francesca stood up before slowly straddling me on the chair I was sat on, positioning herself so her pussy was pressing against my stiffening prick. Grabbing her fantastic boobs as I kissed her neck, I was pleased to hear her moan with pleasure. Realising that she was already so turned on made my cock rock hard and, as she began rubbing her groin up and down my shaft through her thin flowing dress, I couldn't quite believe that I was about to get to fuck this beautiful woman.

Reaching behind her momentarily, Francesca pulled the top of her dress down to exposed her stunning breasts and I didn't hesitate to take one in my mouth. She gasped as I rolled it with my tongue, licking and nibbling gently in response to her obvious enjoyment. As her breathing became more and more ragged, she became visibly excited, and I suddenly felt her hand on the bulge of my dick, grasping it through the material.

I took that as my cue and lifted her up, our genitals still pressed firmly together,

and placed her on the desk. No sooner had her bum made contact with the surface, was she frantically hiking her dress up and pulling down her knickers, as I unzipped and got my cock out and ready to fuck! I looked at her, legs spread, her wet pussy lips at the perfect height for me to slide my cock into easily. I was practically salivating at the thought. I'd fantasised about this for weeks, after all!

Positioning myself at her glistening entrance, I pushed my hips forward and slid into her tight slot with ease, letting out a sigh of relief and utter bliss as I sank balls-deep into her enveloping warmth. I held myself there for a moment, enjoying how it felt to be encased in this beauty's snatch, and then I began to poke her deep and slow. She whimpered as I grabbed her hips and increased the pace, starting to slam into her harder and faster as her whimpers turned to yelps and those yelps turned to screams. Before I knew it, I was pounding into her as hard as I possibly could, relishing each and every noise she elicited – or I elicited from her.

She wrapped her legs around my waist as I ground deep inside her, and then she reached down and started to frig her clit frantically. She began to moan and writhe, muttering something in Italian that I didn't understand, but which sounded

BI-MONTHLY!

Dear Mayfair,

I know you don't get too many letters from women – apart from their Quest adventures – but I thought it was about time I emailed to let you know that there are definitely plenty of us out here who enjoy reading your magazine as well as men. I would class myself as bisexual, so to begin with I love looking at the pictures of all the gorgeous models you feature (my current fave is Holly Gibbons, who looked better than ever in your latest shoot of her). Some women prefer to have a wank reading erotic fiction like *50 Shades* etc, and while I don't mind that now and again, I far prefer reading about real life adventures – especially when they're combined with such stunning pictures! And when I'm with a girl we love looking through an issue together – and the same when I'm with a guy, so everyone's a winner!

Lene, via email.

dirty as hell. I started to feel her pussy muscles pulsating as she came noisily. Her contracting vagina acted as a milker on my sensitive prick and a few seconds later, I felt myself following her lead, so I whipped my cock out and exploded, covering her taut brown belly with my white spunk.

Since then, my session length seems to have increased by an hour – the first hour is always my actual Italian lesson, and then Francesca takes me by the hand and leads me to her bedroom, where I am always reminded how beautiful the language can sound in practice!

Martin, Harpenden.

The lingerie consists of a bra with black lace and light blue panels, and matching panties with black lace and light blue panels. She is also wearing black lace thigh-high stockings. A small tattoo is visible on her left hip. The text 'CHARLIE' is overlaid in large white letters on the left side of the image. Below it, smaller text provides her age, vital stats, and the photographer's name. A row of seven small white squares is also present.

Hello Charlie! You were looking rather pleased with yourself when you arrived today – any particular reason?

“Oh, well if you really want to know I’ve just started going out with a new guy and, well... how can I say this? Er, he really knows how to treat a woman!”

What, so he helps out a bit with the drying up or something? Good for you, love!

“No, silly! He knows how to treat a woman in bed! He must have spent half an hour last night licking my pussy – I cum so many times! It’s a wonder I’m not grinning like a Cheshire Cat!”

Well a pound to a penny says the lucky lick himself is!

A man moves into a nudist colony. He receives a letter from his mother asking him to send her a current photo of himself in his new location. Too embarrassed to let her know that he lives in a nudist colony, he cuts a photo in half and sends her the

for the picture. Change your hair style, it makes your nose look too short!"

A blonde decides one day that she is sick and tired of how all blondes are perceived as stupid, so she decides to show her husband that she is smart.

She decides that she is going to paint a couple of rooms in the house. So the next day, right after her husband leaves for work, she gets down to the task at hand. Her husband arrives home in the evening and smells the paint.

He walks into the living room and finds his wife lying on the floor in a pool of sweat. He notices that she is wearing a parka on top of a jacket.

He asks what she is doing. She replies that she wanted to prove to him that not all blonde women are dumb, and she wanted to do it by painting the house.

Then he asks her why she is wearing a parka over her jacket.

She replies that she was reading the directions on the paint can and it said: "For best results, put on two coats."

"Doctor, Doctor, please help me! I've got a problem."

The doctor examines the man and finds the man has a red ring around his penis. The doctor gives him an ointment to rub on the problem area.

"It's all cleared up," the man happily reports when he returns a few days later. "But what was that medication you gave me?"

The doctor replies: "Lipstick remover."

A guy out on the golf course takes a high-speed ball right in the privates. Writhing in agony, he falls to the ground, and decides to get himself to the doctor.

He says, "How bad is it, doc? I'm going on my honeymoon next week and my fiancée is still a virgin in every way."

The doc said, "I'll have to put your penis in a splint to let it heal and keep it straight. It should be OK."

So he took four finger splints and formed a neat little 4-sided bandage, and wired it all together; an impressive work of art.

The guy mentions none of this to his future wife, marries her and on his honeymoon night in the hotel room, she rips open her blouse to reveal a gorgeous set of breasts.

She says, "You are my first, no one has ever touched these breasts."

He whips down his pants and says, "Well, look at this, it's still in the crate!"

A petrol station worker spots two penguins sitting in the back seat of a man's car. He asks the driver, "What's up with the penguins in the back seat?"

The man in the car says, "I found them. I haven't had a clue what to do with them."

The petrol station worker ponders a bit then says, "You should take them to the animal sanctuary."

"Hey, that's a good idea" says the man.

The next day the man with the car is back at the same petrol station. The assistant sees the penguins are still in the back seat of the car.

"Hey, they're still here! I thought you were going to take them to the animal sanctuary."

"Oh, I did," says the driver, "and we had a wonderful time. Today I am taking them to the beach." (This one's ancient! - Ed.)

Three men die on Christmas Eve and go to heaven, where they're met by Saint Peter.

"In order to get in," he tells them, "you must each produce something representative of the festive season."

The first man digs into his pockets and pulls out a match and lights it. "This represents a candle of hope." Impressed, Peter lets him in.

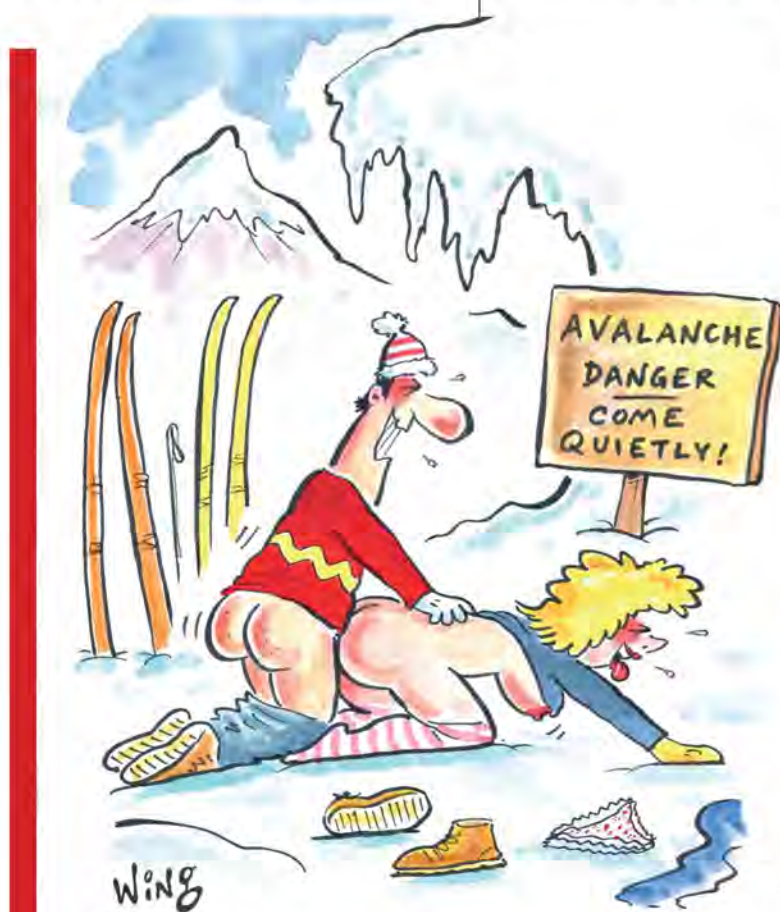

The second man pulls out a bunch of keys. "These are bells." He's allowed in too.

"So," Peter says to the third man, "what do you have?"

The third man proudly shows him a pair of red knickers.

"What do these have to do with Christmas?" asks Peter.

"They're Carol's."

top half.

Later he receives another letter asking him to send a picture to his grandmother. The man cuts another picture in half, but accidentally sends the bottom half of the photo. He is worried when he realises that he sent the wrong half, but then remembers how bad his grandmother's eyesight is, and hopes she won't notice.

A few weeks later, he receives a letter from his grandmother. It says: "Thank you

"Well, what can I say? I'm not going to bite or anything – unless you want me to, of course! – so you don't need to worry about me attacking you, but yes, I think guys had better be on their toes when I'm about, because when I know what I want, there aren't many people who can stop me!"

I don't suppose they'd want to stop you, would they?

As you may well be able to tell from these pix, Cara's something of a natural born model, having started dressing up and posing in front of the mirror when she was just a wee slip of a girl and... well, having taken things (off) from there!

"Yeah, I was always dressing up in my mum's clothes, prancing about in high heels, and when I got a bit older I developed an interest in hair and beauty, so it was always pretty clear I'd end up modelling! And once I'd discovered just how much fun I could have with my pussy – well here I am!"

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

I really highly sexed, especially for a woman, and have been since my teens. I have to admit that I'm one of those girls who has the kind of predatory sex drive like a twenty-something lad. In fact I have gone through guys like there's no tomorrow! Quite often my attitude has been "fuck 'em", and that's just what I've done - I've

though. I think he's the one guy for me - as long as he's not the only guy!

Anyway, a couple of weeks ago he suggested that as I like cock so much that we bring in another bloke for a threesome, for the first time in our relationship. I didn't have to think twice about that. Two cocks at once - oh yeah! I was already planning

I was going to be spoiled for choice. As soon as I walked in I clocked lots of horny guys, and I hadn't even had the opportunity to go hunting for any yet! I think men call it 'sharking'... Prowling round a club until you spot your prey.

I FELT HIS THICK
COCKHEAD PUSH MY
PUSSY LIPS APART AS
HE EASED HIS PRICK
DEEP INTO ME.

After wandering round the place a few times, checking out all the hotties, I decided that I actually wasn't interested in any of them. They were all a bit showy or pretty for my tastes.

However, I soon found the guy I wanted - Tony. I'd fucked him a couple of times before, and I know he's up for anything. Because of this, I felt able to clue him on the plans I had for the evening. I explained to him what I had in mind, and he agreed readily. And it wasn't too long until we were heading back to my place.

Gary was pleased to see us and was obviously ready to get down to

fucked them! I know that probably makes me a slag, but I don't give a toss. Men want to shag me, and I can't help but want to be fucked. OK, so I might be a nymphomaniac - I don't care. Cock is in plentiful supply, and that's all I ask!

Of course, being so cock hungry, it takes a very special bloke to keep me in check, and it's hard to find one. In fact until I met Gary I'd never had a relationship last more than about a month, unsurprisingly.

I've been with Gary for over a year now. He understands how I am and he lets me play away whenever I need some variety, just like I let him go on a minge binge of his own every now and then. I always need his cock after I've been with another guy

where I wanted those dicks to go and exactly what I was going to do with them...

After discounting everyone and anyone we knew to get involved, we arranged the night to do the deed and decided on our course of action - we'd go ahead with our plan that coming Saturday night. I'd go out on the pull, and bring the fella back. Then I'd get that two-cock action that I now craved.

Saturday came and I spent some time properly tarding myself up before heading out. I had so much flesh on show that if I just brushed up against a guy, I'd virtually be getting off with him! I left Gary at home - I think he was quite excited about the thought of seeing me take another guy's cock too. When I arrived at the club I knew

business. So was I - my pussy was soaking with the anticipation of being satisfied by two big cocks!

I told them both to sit down, and then I put on some music: a bit of 90s' R&B, as it's the sexiest music I know! Then I treated them to a sexy strip. As I wasn't wearing much it didn't take long, but I could see my grinding and twerking had got the lads hard. I ordered them to take their clothes off - I wanted to get hold of their cocks now! My cunt was aching with anticipation of what was to

with man-meat and it felt wonderful! Tony was giving my snatch the full treatment, fucking me hard. I would have been gasping with pleasure under normal circumstances, but as my mouth was stuffed with dick I couldn't make a sound except for muffled moans.

My fuckhole was being stretched wide open by Tony's fat cock, and he was rubbing my clit too. Each time he slammed his prick into me he'd twang my bud. I swirled my tongue around Gary's cock as he fucked my face. It's lucky I'm used to giving head so deep, otherwise I might have gagged on his tool!

Gary pulled his dick out of my mouth and asked me if I was enjoying taking two cocks at once. "I'm fucking loving it!" I answered before he shut me up again by ramming his prick back into my mouth.

Tony's relentless drilling of my pussy, flicking of my clit, and now, light spanking of my arse as he fucked me, was getting me off and I realised I was starting to climax! I pushed Gary's cock out of my mouth so I could breathe easier. I wanked him furiously instead. He knew I was going to come. I was moaning and my body jolted with the first tremors of orgasm. When I finally came I couldn't do anything for a few seconds. Then, as I resumed wanking Gary's cock into my mouth he erupted spunk over my lips and tongue.

Tony shouted, "Yes!", pulled his fat cock out of my cunt and sprayed hot semen over my arse, icing my cheeks with his cream.

Gary and I both thoroughly enjoyed that night and have spoken about repeating the experience, either with Tony again, or finding new meat, so to speak. I cannot wait! If it's as good as this was, I'll definitely write in to *Mayfair* again and tell you all about it!

"MY FUCKHOLE WAS BEING STRETCHED WIDE OPEN BY TONY'S FAT COCK..."

Despite being very respectable ladies, my friend Tina and I have developed a penchant for watching the odd porno movie together. It always makes me smile when people assume women don't like porn – but believe me, we certainly do! Anyway, one evening, Tina and I were engrossed in a porn scene that involved a woman being fucked in her mouth and her pussy

come and as I knew Gary was so keen on seeing me getting fucked by another man, I told Tony fill me with his dick. I got down on all fours on the floor – I figured that it would be the best position to give both guys total access to me. Tony moved in behind me and I felt his thick cockhead push my pussy lips apart as he eased his prick deep into me.

I looked up at Gary and saw his approval. I motioned to him, and he knelt in front of my face so I could suck his cock. I swallowed as much of his shaft as I could, deep-throating his dick as much as possible. I was full at both ends

at the same time. She was bent double and the two guys were really hammering into her. I got so turned on watching it

"I LOOKED OVER TO THE CORNER AT TINA AND SAW SHE WAS MASTURBATING AS SHE WATCHED US."

that, without thinking, I turned to Tina and remarked, "I'd love to have two guys at the same time."

She knocked me for six when she said,

"You mean you haven't? I'm surprised, Jane. It feels so amazing!"

I'd always assumed I was more experienced than she was, and I thought I knew all there was to know about her but this was the first time she'd admitted to having a threesome. She then began giving me an account of what had happened to her, and planted an image in mind that I couldn't get rid of,

and as sexy as it was, I felt the thought gnawing away at my brain slightly.

Weeks later – and a few days before my birthday – Tina rang for a chat, and

asked me to meet her at our local wine bar for a drink after work the following day. This wasn't unusual – especially if she was having dramas – but she sounded slightly weird about the whole thing, and I couldn't help but wonder if she was up to something. I braced myself as I headed out to meet her.

When I arrived, I found Tina sat with two guys, Mark and Joe, and at first I thought she was trying to set me up on a double date. I wasn't bothered or offended by this; Tina and I have very similar tastes in men, and these two were no exception. We all had a few drinks and got to know each other, and I found that they were not only very good-looking, but they were funny and intelligent, too – I didn't know who Tina was planning to set me up with, but I would've been happy with either of them! The boys kept the drinks flowing until last orders, when I invited everyone back to my flat.

After popping open a bottle of champers and pouring it out, Tina cleared her throat, as if to start a speech. "Happy birthday, my darling Jane! This is my present to you; you're going to have them both!" she told me to my amazement and I remembered the conversation we'd had all those weeks back.

"You can't be serious," I said staring at them both, a little embarrassed and a bit drunk.

But when Mark began kissing me really deeply and Joe came and wrapped his arms around me from behind I started to loosen up, quickly making the decision to enjoy the experience.

Pretty soon we were all naked. Mark was still concentrating on my mouth, Joe on my tits then slowly stroking his hands down my

belly, moving them around and caressing my bottom with the flat of his hands. And as I started to get more confident I touched them back, reaching back around me to run my fingers over Joe's stiff cock then, with my other hand, running my fingers over Mark's thick meat. Mark slipped a hand between my legs, rubbing my pussy juices back and forth over my slippery slit and I closed my eyes, enjoying it. The sensation of four hands feeling me was so intense that my legs buckled and, somehow, I ended up on the floor with Mark's cock sliding into my mouth and Joe licking up and down my arse crack.

"Stand up, gorgeous," Joe said, "and grip Mark's hips." So, with Joe's help I stood up, keeping my lips enveloped around Mark's cock and straightened my legs so that my bottom was raised and my shoulders and head were level with his crotch.

I felt Joe fingering my pussy, then sliding

a couple into my dripping slot and start to finger fuck me while Mark took some deep breaths and kept very still, hardly daring to move. Two hands spread my bum cheeks apart and Joe eased a slippery finger into my anus, then two, wriggling them about a bit, stretching and coaxing my rectum open.

When his fat helmet nudged against my little puckered hole I gasped and held my breath. I could feel he was taking his time, and when he slipped it into my cunt to lube it enough for my arse, I relaxed even more and tried my best to loosen my anal muscles.

Once more I felt his helmet nudging my arsehole and once again I held my breath but this time he didn't stop. Instead, he kept pushing, easing it past the tight ridges, and stretching me wide open. Once his fat helmet was in, however, he was able to slide, inch-by-inch, into my rectum and, once the shock of being stretched so much subsided, and I finally began to enjoy the sensation of having his thick cock buried in my bottom.

As soon as his dick was buried in my arse, Mark began easing back out of my mouth and both men started thrusting in and out,

quickly establishing a rhythm. Within seconds they were fucking both ends really hard, their deep, penetrating thrusts forcing me back and forth so much that my tits swung about.

It was incredible, everything I'd imagined it to be. I'd wanted to have my arse and mouth fucked at the same time and it was happening; I couldn't believe it. I'd never have believed either, how hard and deep I could take it but, as Joe rammed into my arsehole and Mark thoroughly fucked my eager mouth, steaming down my throat like a man possessed, I revelled in the power I had over two guys and my ability to give them both pleasure at once.

I looked over to the corner at Tina and saw that she was masturbating as she watched us. Joe gripped my hips and pounded my bottom and grunted loudly, increasing my feelings of wantonness. And, despite being thrown backwards and forwards, I was able to keep hold of Mark with one hand and slip the other down to my pussy and furiously finger fuck myself.

Moments later a truly incredible climax ripped through my body and, as I gasped and panted onto Mark's cock, he groaned and stiffened, before spraying a huge wad of thick spunk all over my tongue, then wiped the end of his dick all over my lips and chin.

I don't know if it was my fanny muscles convulsing around his shaft, but

immediately after that, Joe groaned too, and came deep inside me, before pulling out and splashing my arse with what was

left of his sticky load. Collapsing onto the carpet at their feet with jizz coating my chin, dribbling from my arsehole and running down my thighs, I felt more satisfied than

I'd ever been in my life, and, much later when Tina asked if I'd enjoyed it, I told her it was the best birthday present she could have given me. I've got the best mate in the world, and I am one lucky girl!

This is her very first appearance in *Mayfair*, but already we've gone absolutely berz-erk over Olivia Berzinc! The sultry stunner hails from Derby, and is living proof that the town has a lot more to offer the world than a variety of scone. Or hat. She's been plying her trade on a couple of saucy TV channels (as well as appearing on a BBC3 show about webcam girls) but she's joined the major league now and no mistake! Isn't she quite the peach?!

TORI LEE

Age: 28 Vital Stats: 32DD-30-34 5'7"
Photographer: BBM

Time for another debutante, don't you think? Gorgeous Tori Lee hails all the way from Gateshead – somewhere not one person in the *Mayfair* office seems to have visited, although a couple have got as far as Newcastle (*it's a stone's throw across the river from Newcastle, you numpty!* – Ed.). Still, we might have to revise our travel plans if Tori here's anything to go by, with her flawless figure and exquisite stocking-clad legs...

"Well. I wouldn't say they're all quite like me!" she informs us with what sounds suspiciously like a Geordie accent (*See above!* – Ed), "but there are definitely a few of us about!"

Way aye, man!

Lummy – it's been over 18 months since we last managed to tease Lucy into the studio - what on earth's going on?

"Modelling's only a sideline for me – I've got my proper job to keep me busy, so I only like to dip my toe back into the water now and again when the mood takes me. Basically it's like a little pep to pick me up and make me feel extra-horny again, knowing that all your readers will be enjoying looking at my pictures, but maybe I won't leave it quite so long next time..."

We'll touch wood then. Literally!

Holding out for a set of a girl in a silly Santa hat? Well, OK, we'll admit we've done it plenty of times over the years, but this time round we thought we'd go for something a bit classier! And Dannii Harwood's certainly looking the business sprawling about by her rather tastefully decorated tree, isn't she? So is she hoping for anything in particular this Christmas?

"Just peace and goodwill to all men!"

Oh. I'm not really going to be able to wheedle my way into your affections with a box of that now, am I?!

MAYFAIR Classic

Blurb-writers must have been in short supply back in the year 2000, because it looks like none of the issues of **Mayfair** bothered with them that year! Thankfully the situation changed a bit on the years to follow, otherwise I'd be stuck at home sitting on my hands. Ahem, anyway, do you think Martine here looks familiar? That's right, it's Kyla-Cole, who went on to become quite a big name in the 21st Century – but remember, you saw her here first!

MAYFAIR

Vol.54 No.12

On Sale January 8th

Just as I'm typing this the country's swinging into another bout of General Election fever, with the parties and leaders all getting their knickers in a twist about all the customary issues. But by jimminy, by the time the next issue comes out it'll all be over and done with – all those promises and smears just so much wrapping paper for fish and chips. Thankfully, as well as this issue to help keep you going through it all, there's light at the end of the tunnel in the shape of next issue, in which newbie Kennedy will be joining Georgie and co – and they sure get our vote!
